### EXTRA-LARGE OVEN WINDOW

It's the window to your sole – the broiled sole with fresh veggies you're preparing for dinner, that is. Keep a close eye on your food, without opening the oven door.

### GLASS-CERAMIC SPILLSAVER™ UPSWEPT COOKTOP\*

Spills happen. But the raised edges and upswept backguard on this smooth-surface cooktop make sure they have no place to run or hide.

\* Available on select models.

### CONTEMPORARY STYLING

The hottest look in town. The hidden vent provides a sleek silhouette. Metal finish handles match up brilliantly on the stainless steel model.

**Go over the top and make room on the counter. Pair a range with an over-the-range microwave for a Clever Combo of streamlined cooking performance.**
