Tall Tub Design

The Tall Tub interior holds more dishes and provides more room for items that are too tall to fit into a standard dishwasher tub. So go ahead, add that one last dish, or pizza pan!

MasterClean™ Plus Wash System

Clean items on both racks with ease. With the MasterClean™ Plus wash system, a high-water flow powerfully removes food from your dishes. Don't worry, they'll handle it just fine.

Twice as Nice™ Silverware Baskets

Two silverware baskets let you hold twice the utensils and have them all stay in one spot!

ENERGY STAR® Qualified

Save energy. Save money. Help save the planet. With this ENERGY STAR® qualified dishwasher, you will have less of an impact on the environment and still have clean dishes.

Look for the ENERGY STAR® symbol. It shows the product meets the ENERGY STAR® guidelines for energy efficiency.
